Dear Alessandro:

It is my pleasure to inform you that your workshop *A Practical Overview of the Wartegg Drawing Completion Test According to the Crisi Wartegg System (CWS)*, has been scheduled for the 2016 SPA Annual Convention in Chicago, IL on Wednesday, March 9, from 1:30 pm – 9:00 pm. This year's schedule will allow full day workshops to start in the afternoon and end in the evening with a dinner break in between (instead of lunch) to give registrants new options.

Please sign the attached workshop contract and return it to the central office within two weeks of receipt. Your co-presenter, Jacob Palm, should also download, sign and return a copy of the contract. We are also including head shot pictures in the Program Book of the workshop leaders. If you and your co-presenter would like your pictures in the Program please forward a picture in JPEG format to the Administrative Director.

As you are aware, CE credit is offered for your workshop. The CE certificates given in the workshop will require your signature. In order to avoid signing each certificate individually prior to the beginning of your workshop, please scan your signature and email it to the Administrative Director in JPEG form. By doing so, your signature can easily be dropped into the appropriate CE certificate.

Workshop leaders are asked to submit a registration form, even though your fee has been waived, no later than January 30, 2016. Registration can be completed through our web page ([www.personality.org](http://www.personality.org)) after the first week of December 2015.

We have an excellent program planned, and I thank you for your contribution. Should you have any questions, please contact the Administrative Director, at [manager@spaonline.org](mailto:manager@spaonline.org) or call toll-free at 866-849-3725. See you in Chicago!

Sincerely,

John H. Porcerelli, PhD, ABPP  
2016 Chair, CE Committee
